STERADIANSEMI **LeddarTech®**

Ultra low noise, 4D Solid state, high resolution

Position Sensor

- No magnet
- No resolver-to-digital converter ("RDC")
- Fewer number of wires

➔ **1/10 thinner**
1/100 lighter

HOW WE WIN – AUTOMOTIVE 2

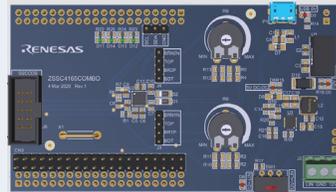

Camera / Video interface

New winning combo

Sensor signal conditioner

- Easier integration of SSC in car network
- Reduction of customer's R&D cost
- New introduction of SSC to provide accurate sensing for HVAC system

Wireless charger

- Leader in wireless charging in auto & consumer
- Track record of 500M+ devices shipment
- Turn-key reference design for auto
- Very low EMI & highest efficiency
